

Photo Submission Contest

New this year! The Carbondale Rec Center will be accepting Photo submissions for the second annual Puzzle and Pie night. You have a chance to have your own photo used for our puzzle competition night! The photo chosen will be used to create all 500-piece 16x20 inch puzzles

Photo submission Dates: January 1st – January 31st

All photo submissions can be emailed to: jwall@carbondaleco.net

Puzzle & Pie Night Event Date: Sunday, February 26th 4pm-7:30pm

How it works:

- Submission is free
- Photographer will be contacted by the event organizer if the photo is selected
- Winning photo selected will receive (1) free team entry into Puzzle and Pie Night
- Participants may submit any number of photographs.
- Original photos only
- Open to all ages

Photo Guidelines:

For the best chance of having your photo selected, take a look at our photo guidelines:

- Photos will need to have as high resolution as possible to be eligible
- Photo can be horizontal or vertical
- Lighting is very important in having the best possible photo! If your photo is murky and/or dark, the details won't be vivid enough to make a great Puzzle & Pie night puzzle.
- Having a great subject matter in your photos will give them a great chance to become puzzle photos – focus on popular categories like landscapes, collections, collages, nostalgia, holiday & wildlife.
- A puzzle theme related to our town, Carbondale, is highly encouraged!
- Lastly, photos submitted should be your own photos, and the subject matter should either be owned by the entrant.
