

Addendum #1 Chacos Park Master Plan.

Question: Funding Source?

Answer: Implementation will be from Town Budget, which can be leveraged with some granting sources. We have received a grant for site furnishing that would be recycled wind turbine blades that have been made into park furnishing.

Question: How detailed do you need the budget?

Answer: Cost Estimation for proposed design will suffice and can be represented as a range.

Question: Amount and expectation of the public outreach?

Answer: We expect an open house type of situation with a preferred site plan program with sketch boards to allow for public participation and idea sharing. We also expect stakeholder interviews prior to the open house to provide content for the preferred design with some potential alternatives.

Question: Final plan approval process?

Answer: The final plan will go before the Parks & Recreation Commission for initial approval and then to the Trustees for final approval and presentation.
